One to One Advocacy and Support

Hill Street FRC staff work in partnership with other agencies and services advocating on behalf of our families and encourage changes at a legislative level. Furthermore, we support families to claim their rights and entitlements, including access to education, employment, or legal rights.

Appointment based

Contributions/donations

We rely on the contributions of our families to maintain the running of the Centre, but any individual or family not in a position to contribute financially is very welcome to attend.

We wish to make it absolutely clear:

All families are welcome in Hill Street FRC
